

Brandon Township Public Library Circulation Policy

What You Will Need to Get a Library Card

A library card application must be filled out for new library card holders. The card owner (or parent/guardian in the case of a minor) is responsible for all materials borrowed on the card and agrees to abide by library policies.

A state-issued picture ID with your current address is required. We can also accept a state-issued picture ID with official mail addressed to you at your current address (e.g. a utility bill or a tax receipt from the township or village). Children with no picture ID will need to be accompanied by a parent or legal guardian.

Library Cards

Who is Eligible for a Library Card?

Patron Card: Any resident of or property owner in Brandon Township.

Student Card (Non-Resident): Individuals who attend K-12 school in, but do not reside in, the BTPL service area are eligible.
