

Brandon Township Public Library Circulation Policy

WHAT YOU WILL NEED TO GET A LIBRARY CARD

A library card application must be filled out for new library card holders. The card owner (or parent/guardian in the case of a minor) is responsible for all materials borrowed on the card and agrees to abide by library policies.

A state-issued picture ID with your current address is required*. We can also accept a state-issued picture ID with official mail addressed to you at your current address (e.g. a utility bill or a tax receipt from the township or village). Children under the age of 18 will need to be accompanied by a parent, legal guardian, or a teacher on a class visit.

***Online Library Card Application**

Upon completion of the online library card application, the patron will be emailed a library card number which they may use to immediately access Brandon eResources. It may take Brandon Library staff up to 24 hours to process online card applications. Library card applications submitted online are subject to Brandon Township Public Library's Circulation Policy and consent of a minor by a parent or legal guardian. The online access card will expire after 90 days if proof of residency is not uploaded with the application or the patron does not visit Brandon Library to show proof of residency and pick up the physical card.
