Unattended Children Policy

Policy Statement
The goal of the library is to maintain a welcoming environment that encourages families to explore library resources and share learning opportunities. The library wants adults and children of all ages to have a safe, positive experience. Unattended children may act in a manner not in compliance with the library’s Patron Behavior Policy thus adversely affecting other customers’ library experience and diverting staff from providing service to other customers.

Definitions
1. “Child” (or children) is defined as a minor under the age of 18.
2. “Responsible Caregiver” is an individual who is responsible for monitoring or caring for a child and who must be at least 16 years old. This includes a parent, legal guardian, custodian or temporary caregiver.

4. All patrons, including children, are expected to comply with the library’s policies, including its Patron Behavior Policy. Responsible Caregivers shall review and be fully aware of all Library policies governing children, particularly the Internet Use Policy.
5. Responsible Caregivers are responsible for the behavior and supervision of their children as well as the materials their children access regardless of age while in the Library.
